

Hossam Fid

Data Engineer

Cairo, Egypt • +(20)101 804 1030 • mrhossamfid@gmail.com • [linkedin.com/in/hossam-fid](https://www.linkedin.com/in/hossam-fid)

As a skilled Data professional with a bachelor's degree in computer science and 3 years of industry experience, I excel in leveraging Python, SQL, Excel, Power BI, ETL processes, and data visualization tools. My strong communication skills and detail-oriented approach enable effective collaboration with stakeholders, uncovering insights to drive informed decision-making. I am eager to contribute my expertise in data management, technical proficiency, and statistical analysis to drive success in your organization.

WORK EXPERIENCE

Eagle Services, Poland Data Analyst • Remote

6/2024 – 9/2024

- Develop interactive dashboards and reports with Power BI and provide support and troubleshooting for existing automation solutions.
- Design and implement automation solutions using technologies like Excel (VBA, Power Query), SQL, and Python to streamline business processes, and enhance operational efficiency.
- Automate and orchestrate complex workflows and data pipelines using Apache Airflow.

Fanos Lighting Company, Saudi Arabia Data Analyst • Full-time

11/2021 - 4/2024

- Generate ad hoc reports and visualizations to address immediate business needs, promoting collaboration and enabling agile decision-making.
- Apply advanced analytics techniques to optimize digital marketing campaigns, driving significant improvements in conversion rates and return on investment.
